YWCA Announces New Date for TGIF Charity Golf Classic

June 1, 2020

Dear YWCA Friends,

You probably won't be surprised that we have decided to postpone our 18th Annual TGIF Charity Golf Classic. Originally scheduled for Friday, June 19, this important event to benefit Girls Golf will take place on **Monday**, September 21, 2020 at the Bethlehem Golf Club. Please join us for a 9:00 am start followed by an open air luncheon under the tent.

As you can imagine, YWCA Bethlehem programming has been heavily impacted by the COVID-19 crisis. We are planning a season of Girls Golf at Southmoore with a flexible start date as soon as youth activities are permitted at Northampton County golf courses. We are reviewing new guidance from the national LPGA Girls Golf program to implement social distancing and other safety measures. The special events that previously pulled together girls from the different clinic sessions will be reworked to provide on-course play and mentoring experiences with smaller groups. **We expect that this year will require more financial support and more volunteer support to deliver a safe and meaningful experience for our Girl Golfers - which is why we hope you will register for TGIF today!**

These young ladies, like children everywhere, have had a challenging year adapting to remote learning, being isolated from their friends, and dealing with anxiety about the pandemic and what the future will look like. Our goal this year isn't just to teach golf skills, but to bring our girls back to the greens safely to promote their physical, social and emotional health. We hope we can count on you to join us on September 21 to support our 18th season of Girls Golf in the Lehigh Valley. On-line registration is now available at ywcabethlehem.org.

Sponsorships begin at \$200 for a Hole Sponsor (on-course signage) or \$500 for a Par Sponsor that includes two golfers. Please email me at programdirector@ywcabethlehem.org or call 610-867-4669 x104 if you need additional information about the tournament or summer volunteer opportunities. Please enjoy golf and your other activities responsibly and stay well. We look forward to seeing you at Bethlehem in September.

Sincerely,

Jen Wanisko
Program Director
YWCA Bethlehem
